

Collaboration thrives with Webex Meetings and Webex Rooms.

By 2024, remote work and changing workforce demographics will impact enterprise meetings so that only 25% will take place in person, down from 60% today.¹

Discover a collaboration solution that evolves with the changing needs of the workforce.

Award-winning devices anywhere you work

- High-quality video meetings on any device
- Digital whiteboarding at your fingertips
- Options and features for any room size

Do more with less work

- Reduce geographic barriers
- Increase employee engagement
- Improve real-time and virtual collaboration
- Train employees from anywhere
- Reduce travel costs

Artificial intelligence integrated throughout

Facial recognition identifies meeting participants so you can easily identify who is whom in the meeting room. And audio transcription and intelligent framing ensure you'll never miss a beat.

Your meeting, under your control

Take command of the room with voice-driven digital assistance and audio fencing that eliminates background noise. Do it all in HD audio and video.
